

Colorado Springs Anti-Fascists

Exposing fascists and disrupting their organizing in so-called Colorado

Proud Boy Propagandist Louis Zachary Huey (CO)

Louie Huey is a second degree Proud Boy and the host of the livestream podcast [Major League Liberty](#). When Louie isn't drunkenly [yelling about Antifa™](#) into his computer he's organizing with Neo-Nazis like the (former) [Traditionalist Workers Party](#) and the Goyim Defense League. Louie bills itself as libertarian, but is largely a mouthpiece for Trump supporters. Case in point: [Roger Stone was a recent guest](#). Louie is very active in the Denver area, covering rallies and events of interest to the "blue lives matter" crowd. Louie is also not above "hitting the streets" for some ridiculous "gotcha"-style journalism, and has become a well-known nuisance for Denver-area activists.

Update 2:

4/26/2020

Louie Huey has been very active at anti-COVID lockdown protests over the past couple of weeks. He met Alex Jones in Austin, then drove back to Denver on 4/19/2020, where we saw this hilarious exchange

Last weekend, chuds were protesting the COVID lockdown at the capitol building in Denver. Here they are complaining about how our governor, Jared Polis is another "Jeffrey Stalin" 🤔

Louie showed up again to the capitol this weekend with neo-Nazi [Proud Boy Shane Reeves](#).

the only other person besides myself that doesn't need his hand held in getting off his ass. He will spend his own money to travel out of state. He arranged to have money on my commissary when I was away. I know him personally.

Update:

12/4/19

Since we last published on Louie Huey, him and his Colorado Proud Boys have repeatedly attend protests with white nationalists and Neo-Nazis. Here's Louie giving a fist bump to Neo-Nazi [Steve Hildebran](#) at an anti-LGBT protest outside of Mile High Comics.

Hi Louie,

Care to comment on this clip of you giving a pound to neo-nazi Steve Hildebran while he was wearing a Nazi SS Totenkopf on his shirt at a rally advertised with swastikas?

Huey has strong ties to the [Colorado Proud Boys](#), especially members of the [Colorado Springs chapter](#).

Huey got his start rubbing elbows with [established fascists during the summer of 2017](#), which saw a rise in “Freedom Rallies,” grass roots versions of the [ACT for America](#) protests. These freedom rallies became big events for “patriot” groups like the [Hiwaymen](#), who were associated with Castle Rock, CO resident [Joe Geneva](#).

This photo from an October 2017 “Freedom Rally” finds Huey standing next to [Denver-Area Nazi](#) and former [Traditionalist Worker Party](#) (RIP) leader, [Josh Yeakel](#).

Not only does Huey cover local fascist gatherings, but he also traveled to Portland, OR last summer with Proud Boy [Zach Lightner](#) to take part in the street violence inspired by Patriot Prayer leader Joey Gibson.

Antifa chased Louie and Reno out of the courthouse after we were leaving peacefully. Got right up in our faces, surrounded us and this happened. Colorado Antifa leader [REDACTED] got let go for assaulting a police officer at our September rally.

Fuck yea! Also, Antifa doesn't have leaders and characterizing this individual in such a way is wildly inaccurate, but when do news outlets with the word "liberty" in them ever care about accuracy?

Huey was harassing an activist who was arrested at an free-speech event Huey sponsored, which resulted in a [Colorado State Patrol trooper being placed on leave](#) for over concerns that he collaborated with Proud Boys & Major League Liberty.

[Martin Meyers](#), owning the libs by suffering a head wound at a Major League Liberty event. So much for the tolerant left.

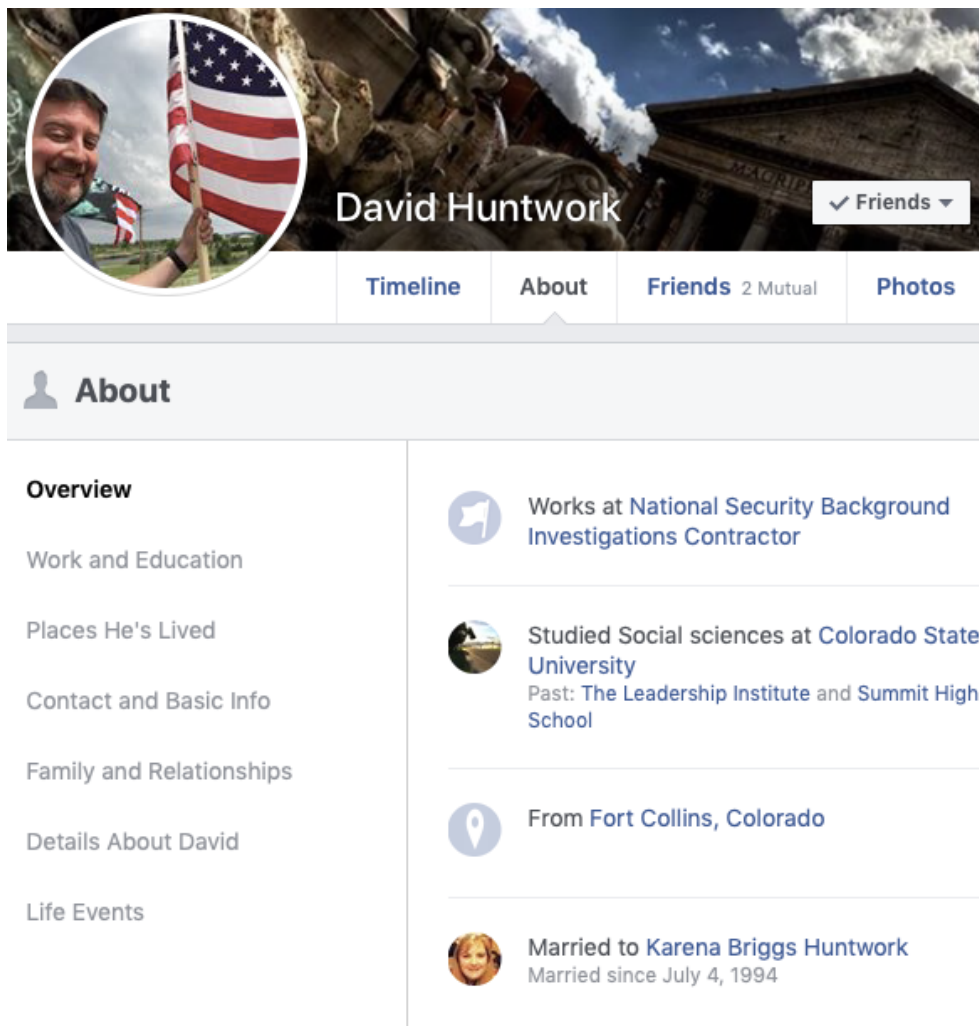

Huey is also a member of the FB group [Patriot Brigade – Colorado](#) ([archive](#)), which engages largely in 2nd Amendment activism, but also dabbles in the kind of racist, homophobic bullshit you would expect. The group was started by [David Huntwork](#) ([archive](#)) a local conservative activist who has a lot of [facebook profiles](#) ([archive 1](#)) ([archive 2](#)).

Facebook post by David Huntwork. The post is from the "Admin" role, dated December 11 at 7:21 PM. The text reads: "It's time to protest this perversion and Leftist indoctrination of children. I'm not putting up with this crap. Who is with me and will join me?". Below the text is a promotional graphic for "Drag Queen Story Hour". The graphic features the "SPLASH" logo (Supporting People's Lives and Social Responsibility) and the text "presents". The main title "Drag Queen" is in large, stylized blue letters, with "Story Hour" in smaller blue letters below it. A blue crown with three stars is positioned above the "Queen" part of the title. To the right of the title, it says "Coming soon to many libraries throughout Larimer and Weld counties!".

Huntwork personally organized the protest.

David Huntwork  **Barbara Loving** I'm still considering a plan of action. Will probably issue a call to action to go after the board members with the decision to hold a physical protest contingent upon sufficient interest.

Louis Huey similarly complaining about racial diversity.

Louie Huey runs with a pretty fascist crowd, and is a part of the propaganda machine that promotes hate against immigrants and trans people. He’s connected to Proud Boys, militia groups, and is more than friendly with local law enforcement.

Dear everyone. KILLING KINGS was a political hardcore band representing the working class of ALL COLORS AND BACKGROUNDS. if you're a Nazi or a bitch ass proudboy you can keep Our name out of your ignorant fucking mouth and off your feed. We have always enjoyed stomping Nazis and stopping racist pricks whenever possible. If you're nostalgic for a time that never existed and use your hateful rhetoric and cowardice platform to trv and manifest this

bullshit ideology then you can just do the world a favor and kill yourself. Killing Kings motherfucker, you know we keeps it real.

Killing Kings responding to Louis Huey using them to punch left.

The band's biography literally describes them as a political band:

BIOGRAPHY

Killing Kings

Pissed off, politically charged, and passionate about preserving their music and culture, Killing Kings buck current trends of modern day Hardcore in favor of a more classic approach. Taking cues from the streetwise delivery of bands like Biohazard and Sick of It All, they are on mission to stand and deliver their own state of the world address from the perspective of the American working class.

This just underscores what the right actually means when they complain about how “everything is political now”. Something being “political” means having or reflecting politics they don't agree with.

These guys are comrades.
